

LOCAL CLIMATE ALLIANCE

WHY A CLIMATE ALLIANCE?

Climate change cannot be tackled alone.

The Local Climate Alliance unifies and amplifies action from all sectors of our community, guided by six action areas and nineteen goals set out in the Central Goldfields Climate Action Plan.

Read the Central Goldfields Climate Action Plan at www.cgca.org.au/about/

WHAT IS INVOLVED

Alliance partners commit to:

- Read the Central Goldfields Climate Action Plan and show commitment to unified action by having their logo included on our website
- Help keep our website content relevant and meaningful by submitting events, volunteering opportunities and good news stories
- Host or participate in an annual Climate Conversation to inform the ongoing delivery of the Climate Action Plan

WHAT MEMBERS RECEIVE

Joining the Climate Alliance is a free opportunity open to businesses, industry, community services, schools and community groups within the Central Goldfields region.

Membership offers:

- Subscription to a monthly newsletter, containing local climate action stories, events, volunteering opportunities and funding opportunities
- A platform to promote climate related events and volunteering opportunities
- Connection to a network of local and regional climate action enthusiasts and potential collaborators
- Opportunity to participate in annual community forum and other projects to support emissions reduction and climate readiness of our community
